Introduction:

Mrinaljyoti Rehabilitation Centre was established in the year 1999 to serve the Persons with Disabilities (PwDs) through providing various supportive services like early detection and intervention, special and inclusive education, vocational trainings, residential services, outreach programmes, awareness and sensitization, distributions of aids and appliances etc. The main operational areas of Mrinaljyoti are Sivasagar, Dibrugarh, Tinsukia & Karbianglong district of Assam and Namsai & Lohit district of Arunachal Pradesh. By collaborating with other organizations and institutions we also try to bring out different disability related issues among different stakeholders of our society.

Our mission is to bring all the people of the society, irrespective of socio economic, cultural, demographic and religious differences to join hands for the welfare of the Persons with Disabilities. Our continuous efforts to create awareness among the people to detect new born babies with delayed development and to help them to get maximum supportive services and other field activities have created good response from the public and many people are coming forward to help these children and to protect their rights. We are gradually extending our policies and work diversely towards sustainable developmental goals in accordance with rights of the Persons with Disabilities.

The achievements of Mrinaljyoti during the last 18 years were possible only with the continuous support and guidance from various organizations like the National Trust, the Rehabilitation Council of India, National Institute for Empowerment of Persons with Multiple Disabilities (NIEMPD), Chennai, Composite Regional Centre (CRC), Guwahati and the District Administration etc. Further we are grateful to Oil India Limited (OIL), Assam Gas Company Limited (AGCL), NEEPCO – Bokulani & philanthropic organizations like Zaloni Club, Zaloni Ladies Club and WIPS - Dulaiajn and many such organizations for their benevolent services they have rendered to our organization. Apart from that many individuals are also rendering tremendous support to us.

Rehabilitation and continuous support of these children & adults with disabilities are major challenges for any one. Thousands of thousands such children remain dependent throughout their lives and a few of them become independent and can earn their livelihood.

We are trying our level best to bring all the available facilities and persons with expertise in various fields of disabilities under one roof so that we can extend best services to the people concerned. We with pride announced that Mrinaljyoti is now capable of helping a reasonable number of persons with disabilities but we think that our endeavor is just the beginning of the beginning and we have to go miles and miles in the service of persons with disabilities.

Dear Friends,

Long eighteen years ago a seed was sown with a hope and dream to serve the children with disabilities unfortunately a marginalized section of the society and that seed has become a grownup tree by the name of Mrinaljyoti Rehabilitation Centre. We started it with a very humble way in a small thatched house with an untrained teacher and now it is equipped with more than 37 staffs who can cope with all type of disabilities. Our activities at the very beginning were confined to the state of Assam only but now we provide our services to our neighboring state of Arunachal Pradesh also.

Fighting obstacles throughout the way in establishing an Institution for treatment, care, education & rehabilitation of most deprived and neglected children in the Society we have come to the present position only because of continuous support from the generous people and various organizations.

I would like to convey my heartfelt gratitude to all our well wishers, both individuals and institutions, who have come forward to help Mrinaljyoti in different ways. Their benevolence has always been a booster to us to do our best. Our Executive Members & Advisors have been playing a vital role through their valuable guidance and suggestions to take up and solve the challenges we face from time to time for which they deserve our heartiest gratitude from our end.

Moreover, I extend my heartfelt thanks to all our staffs for their dedication and tired-less services they have rendered to the organization without which we could not have achieve our goals.

At last but not the least I offer my heartfelt thanks to our media persons for their support they have rendered to us and I would expect such corporation from them in future also.

• SERVICES PROVIDED BY MRINALJYOTI REHABILITATION CENTRE DURING 2016-2017

➤ School:

From the year 1999 Mrinaljyoti had been running a special school till December 2015. The procedure of Inclusive Schooling was introduced in January 2016. Thereafter on the basis of planing pyramid of differentiated instruction of students some have been enrolled in inclusive schooling setup and still the high support group are in the special schooling setup. The key factor of conversion of Mrinaljyoti in to inclusive setup is the result of the partnership with the Regional Action for IncluSive Education – North East (RAISE-NE), project.

Functional class

The admission in the institute is open throughout the year. The regular curriculam of NCERT has been adopted since the January 2017.

➤ Early Intervention:

Mrinaljyoti Rehabilitation Centre has been giving top priority to Early Identification and Early Intervention. Moreover, to detect newborn babies with delayed development and to help them get maximum supportive services to protect their rights is our aim. We have our own physiotherapist, speech therapist, special educator, counsellor, guest neuro-development therapist, care-giver in our early intervention unit. As we focus on school readiness programme (mainstreaming) we prefer to offer early intervention to the age group zero to ten years. Adults, who suffer from disabilities, come to us are provided with therapeutical interventions.

The early intervention unit has been offering various therapeutical managements to the children with disabilities from the very beginning. There are ample examples of mainstreaming (admission in regular school) of children with disability who have left the early intervention unit after expected correction in their condition.

Physiotherapy going on

➤ Vocational Activities:

The vocational unit of Mrinaljyoti Rehabilitation Centre has been regularly providing various vocational trainings on skill development of Persons with Disabilities. In the year 2015-16 Mrinaljyoti organized skill development training on Food processing (15 nos.) and Tailoring (15 nos.) in association with Composite Regional Centre, Guwahati. That programme was initiated from 11th January, 2016 to 10th March, 2016. Here it was observed that allotted time of 2 months was not sufficient duration for persons with disabilities to expertise them in that particular skills. Therefore after completion of the programme Mrinaljyoti extended the practical sessions for the persons with disabilities at its own capacity to give them more opportunities to practical sessions on 2 above mentioned trades.

Food Processing

Weaving

Tailoring

Also the student with disabilities from pre-vocational class of the organization produce regularly food items like Nimki, Khurma, Bhujia, Jam & Jelly, different pickles etc. and craft items like gamucha, block printing in sadar-mekhela, various handicraft items etc.

To make our objectives a successful one and to minimize unemployment problems among adult with disabilities we are trying to establish a permanent & well equipped vocational unit at our centre.

➤ Out-Reach Services:

The outreach centers of Mrinaljyoti Rehabilitation Centre sited at Dr. Bhupen Hazarika Samanya Kheta, Rajgarh, Dibrugarh and at Golia Gaon Panchyat, Digboi, Tinsukia. The two centers provide services like physiotherapy, speech therapy, other therapeutical interventions, education and also creating awareness among different stakeholders etc.

The outreach centers in Rajgarh and Digboi also focus to facilitate the creation of responsive community and development of inclusive services, which fulfill the rights of persons with disabilities.

Physiotherapy at Rajgarh

Special Education at Digboi

In the year 2016-17 there were 72 beneficiaries at Rajgarh centre and 37 beneficiaries at Digboi centre.

➤ **Special Children Home:**

The children home of Mrinaljyoti Rehabilitation Centre under the name & title 'JYOTINIWASH' is being run under the State Child Protection Society, Assam. 19 boys and 5 girls were accommodated in the institute till March 31st, 2017 and most of them were referred by Child Welfare Committee (CWC).

Child Home Committee meeting

Child Parliament

Birthday celebration of Bokul

Due to the lack of sufficient seats in the hostel, we cannot accommodate all the children as per the request of CWCs & guardians. Irregular fund flow from the funding agency is also a hindrance for us to increase the hostel accommodation and to provide adequate quality services to the existing residence.

➤ **RAISE-NE PROJECT:**

Mrinaljyoti Rehabilitation Centre is one of the partner organization of the Regional Action for Inclusive Education – North East (RAISE-NE), a project, initiated to implement compulsory and quality inclusive education in the SSA schools. The induction training programme under RAISE-NE project was held on 17.8.2016 at Mrinaljyoti Rehabilitation Centre, Duliajan, in presence of Mr. Bibhu Dutta Sahu, Project Director and Ms. Sweet Syiemiong, Coordinator, RAISE-NE and Executive Committee Members along with the staffs. In the same year the accessibility audit of Mrinaljyoti was started under the guidance of Access Audit team of Mrinaljyoti Rehabilitation Centre which is on the verge of completion.

RAISE-NE induction programme

As per the project guidelines of RAISE-NE to make the inclusive school a Resource Centre of Inclusive Education, the following measures have been adopted in the year 2016-17.

1. Continue School Management Committee meeting.
2. Accessibility audit and plan of action completed.
3. 80 nos. SSA school survey completed under Include Vidya camping (IVC)
4. Child Protection policy developed.
5. Continue School Safety Committee & Child Protection Committee meeting.
6. Regular Teachers training and capacity building of the staff.
7. Develop Individualized Educational Programme.
8. Parents' sensitization.
9. Publicity through print materials, street plays etc.
10. Adaptation of Lesson plan, work sheet, evaluation strategy etc.

➤ **RCI workshop with primary school teachers:**

Mrinaljyoti Rehabilitation Centre organized a training programme in association with Rehabilitation Council of India, Ministry of Social justice & Empowerment, Govt. of India supported by district administration, Dibrugarh on "One Day In Service Primary School Teachers' Training on Disability Issues" which was held on 9th September, 2016 at Mrinaljyoti Rehabilitation Centre, Duliajan. Sri Terosh Gowala, Member of Legislative Assembly, Duliajan Constituency was present as a chief guest in the training programme along with RCI officials. In total around 52 participants participated in the programme.

The objectives of the programme were:

- a. To understand disabilities.
- b. To promote effective, quality & compulsory education for Children with disabilities in primary school.
- c. To discuss on disability laws and provision in the state of Assam.
- d. To address difficulties faced by primary teachers to implement inclusive education.

Opening Ceremony

Participants

Resource persons

Findings of the programme:

1. Awareness among the primary school teachers about disability.
2. Participants were inspired to become a responsible community leader to serve the student with disabilities.
3. During the discussion many teachers came up with queries and also with new ideas about inclusive education & accessibility.
4. Moreover the participants pointed out some difficulties that they faced and these were lack of proper trained manpower, lack of training on disabilities, high teacher student ratio, lack of infrastructure, poor awareness, lack of proper evaluation procedures, frequent school dropout etc.

➤ Health Service:

Oil India Hospital, Duliajan offers regular free medical checkup to the children with disabilities and provides medicines and hospitalization facilities on emergency. This year Rotary Club, Duliajan organized free dental check up camp at Mrinaljyoti Rehabilitation Centre.

Mrinaljyoti provided free health check up and treatment to 218 beneficiaries (in 5 camps) in the year 2016-17. Moreover Mrinaljyoti Receives services from Chalakotoky–SD, Kacharipathar PHC and Assam Medical College & Hospital from time to time.

➤ Parents meeting/counseling:

Parents counseling and training approach is an integral part of the rehabilitation. By giving birth to a child with disabilities, the life of parents along with the child becomes miserable. Counseling increases the possibilities of acceptance, socialization and advocating to their own rights.

Photo of parents counseling

Ego problems of many middle class families make a child suffer. Also in many cases, the women are forced to stay with the family like a slave and some time the women giving birth to a child with disabilities is regarded as sinner and has no right to stay with the family and therefore the child suffers. We try to motivate such people to realize the real fact and try to change their attitude towards disability, the child, the mother etc. and extend our support services to them. In the year 2016-17 we offered counseling to 45 parents of persons with disabilities.

Mrinaljyoti Rehabilitation Centre provides counseling to persons with disabilities, going to the family, meeting the people of the locality as a part of our objective.

➤ **Field Activity:**

Field visit to detect and survey children & adult with disabilities is a regular process of our organization. After detection we try to assess the needs of a child and try to offer support services with what we have at the centre. Secondly, regarding the adult with disabilities we try to access their needs and help them by supplying assistive devices so that he/she would be able to live a dignified life.

A few photos of field visit

➤ **Aids and appliances distribution camp:**

In the year 2016-17, Mrinaljyoti Rehabilitation Centre organized three aid & appliances distribution camp in collaboration with ALIMCO and district authorities. In a total 364 persons with disabilities received aids & appliances like tri-cycle, wheel chair, CP chair, BTE hearing aid, crutch, smart phone, electronic white can stick and tablets etc. The date & venue of the camps were as below:

- Namsai Town Club on 14.05.16
- Arunjyoti Sangha, Jagun on 02.07.16
- Dr. Bhupen Hazarika Samanya Khetra, Rajgarh on 16.06.16

Namsai, Arunachal Pradesh

Rajgarh, Dibrugarh

Jagun, Tinsukia

➤ **Workshop on Empowerment of Persons with Disabilities at Arunachal Pradesh:**

Mrinaljyoti Rehabilitation Centre provided manpower as facilitator for a three days workshop at Chukham and Tezu, Arunachal Pradesh during the workshop on empowerment of persons with disabilities conducted by National Institute for Empowerment of Persons with Multiple Disabilities (NIEPMD), Chennai from 27th to 29th March, 2017. Approximately 600 beneficiaries attended the above mentioned workshops.

The aims and objectives of the workshop were:

- To provide training on understanding disabilities and therapeutical interventions to PwDs.
- To empower parents of persons with disabilities & their families.
- To develop sports & creative arts environment in an inclusive manner.

A few members of Executive Committee

➤ Staffs (manpower)

Manpower is the key factor of sustainable growth and development of any organization like Mrinaljyoti. At present Mrinaljyoti Rehabilitation Centre has more than 37 staff as manpower. Time to time many internees from various institutions and many people offer their valuable voluntary service to Mrinaljyoti to carry forward its mission. However non availability of trained manpower in Assam particularly in the sector of disability is a major challenge for us.

➤ Volunteers

Volunteers are an inevitable part of the Non-Government organizations. We are always grateful to them for their invaluable service towards development of the organization. In the year many volunteers have come and rendered various services time to time. Volunteers were, are and will be always welcomed for their positive and vibrating attitude and contribution.

• Problems faced by Mrinaljyoti:

Though Mrinaljyoti has been facing a lot of problems like fund, manpower, building, equipment etc. but it can be managed to render various services to the PwDs. But here are such natural and manmade calamities which are not easily negotiable. Among these problems that Mrinaljyoti has been facing for a long time are flood, storm, air & noise pollution etc. It is seen that the major causes of these problems can be attributed to the industries nearby and being a low land area etc.

Flood in the campus

Destruction by storm

Source of air & noise pollution

• Publication

The DARPAN is a magazine of the organization published two times in the year 2016-17 to create awareness among the society regarding the right of PwDs, their issues, overcoming problems related to disabilities in the community.

Point to ponder

Since long, the disabled have been marginalized and stigmatized in almost all societies. They constitute a section of the population, which is most backward, least served and grossly neglected. Person with disability are the poorest of the poor and weakest of the weak, who have been socially, educationally and economically disadvantaged; thus having customarily denied of their rights to self-assertion, identity and development. Today the world communities focus on sustainable development with protection of rights. The persons with disabilities also have same rights as we have to live a life with dignity.

To address all issues of Persons with Disabilities and provide support services to them is a prime responsibility of the government and the society. Though thousands of PwDs are benefited by the various policies and services of the Government but still uncountable numbers of them remain deprived even from their rights. We long that it should not be given to them as consideration but as their **right**.
