**Hold my hand and walk with me.  
We must break the back of social inequity;  
We must empower every individual with a disability  
To live with dignity in an inclusive society.**

— William E. Light Bourne

Dear friends,

The human spirit is full of ability, perseverance and courage that no physical disability can steal away its true essence. Today we are stepping into one more AGM of MrinalJyoti Rehabilitation Centre, it's the time to reflect back and also see through the future. The journey that leads today to the more milestones started in 1999 in a very humble way. Its founder members, with immense zeal and dedication, with minimum infrastructure and facilities have been successful to establish MRC as a renowned institution in the Upper Assam and nearby area. It is the only organization which provides early intervention, residential services, physiotherapy, vocational training and inclusive schooling up to class VIII. Student with disability can prepare for NIOS in Mrinaljyoti. Self-care training is also a necessary part of the curriculum here. Hostel facilities are provided to both, boys and girls with disabilities, who live far from here. Parents also get counselling in workshops or programs done specially for them, and get to know the best methods to guide and teach their children at home. Awareness program are also organized from time to time in the campus and nearby places. RAISE-NE is giving all necessary guidance and support to grow the institution as an inclusive school. The day care center, which is run under National Trust, is a boon for the children. We are very fortunate to get the support and cooperation of many government organizations like National Trust, NIEPMD, NIEPID and public sectors like OIL, AGCL etc. I would like to thank all the individuals and organizations who have given their continuous support to MrinalJyoti. I would like to take this opportunity to thank and be grateful to all the sincere teachers and staff members. I have been a witness to enumerable such annual meetings, how many years have passed, I do not remember. Yes, this I remember surely that few years back I used to sit behind, then in first or second row and now with grace of almighty am sitting on the dais. It's a dream of MRC that it can provide help to entire north-east area. Slowly it is happening, it has opened its branches in Digboi and Rajgarh. I wish MrinalJyoti all the success in every endeavour it takes.

Thanks,

**Anita Nihalani**  
Executive President  
Mrinaljyoti Rehabilitation Centre

## *From the Secretary Desk*

Dear Friends,

Mrinaljyoti has been offering services to the Differently abled Children for the last 19 years. It has been noticed that the number of children coming to our touch is increasing day by day. It may be a positive reflection of our tenacious effort to spread awareness on care & treatment, education and rehabilitation of children with disabilities for which their parents are approaching us without hesitation. It is also true that the society and present government is more concerned about empowering the Persons with disabilities. As a result a new Act viz. "Rights of Persons With Disabilities Act 2016" was enacted and is in the verge of implementation. The Act has been expected to provide opportunities to fulfil the motto of UNCRPD "Nothing About Us, Nothing Without Us".

We are observing that most of the children coming to our centre, accompanied by their parents or guardians, are within the age group of 1 to 10 years. In a report, WHO mentioned that around 10% of the total population in developing countries are with some form of disabilities. Therefore, we feel that many children are yet to be detected and hereby we have great responsibility on our shoulders.

Delayed detection is a major cause of delay in rehabilitation in terms of early interventions, education, livelihood etc. which is not a good sign for our society. The cause of disability are interlinked with some other major factors of our society like health & hygiene, malnutrition, uncontrolled pollution, lack of proper policies etc.

Hence it is the prime duty of the government, society, NGOs and stakeholders to work together to minimise the cause which leads to the increase in number of children with disabilities.

I like to take this opportunity to extend our gratitude to our staff, parents, well wishers, public agencies, media house for their never ending support.

At last I, through this message, appeal to the society to join hands for a sustainable and inclusive society.

Father G. P. Amalraj, in his presidential speech, expressed his satisfaction on the secretarial report and extended his heartfelt gratitude to each and every individual & organization for their continuous support to Mrinaljyoti. Mr. Joyprakash Borpujari, Director, MRC proposed the formal vote of thanks.

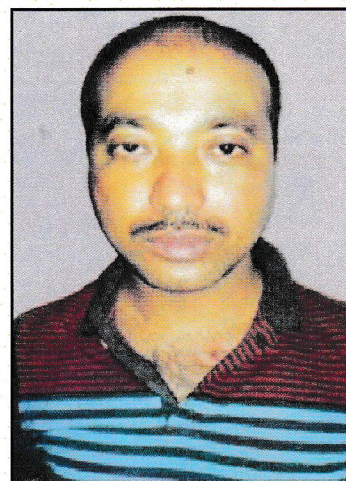

## OBITUARY

*In  
Loving  
Memory*

**PANKAJ NEOG** : Hailing from Numaligarh, he made his mark as a Special Educator. He joined Mrinaljyoti in 2009/2010 as a special educator. He was one of the most active members in the institution. During his service, his expertise and fluidity in his work were appreciated by the parents as well as the staff. He was always readily available to everybody in times of need. His demise in 2017 has left a massive void which no one can replace. We can only wish him happiness wherever he is. **Rest in Peace Pankaj.**

**CHRIS CONCORN FORD** : Mrinaljyoti feels blessed being associated with London-based gentleman, Mr. Chris Concorn. On his visit to Duliajan, on 25TH Jan'11, he particularly made it a point to visit Mrinaljyoti. His bond with the children of the institution grew so special and strong that he promised to offer his help as much as possible in the coming days. Unfortunately his untimely demise has cast a dark cloud on all of us. But after many years, his wife connected with us saying that the family has not forgotten about the promise he had made. So, on behalf of their entire family,

they have donated a sum of **Rs. Five Lakhs Twenty five thousand** for the welfare of the students/ school. We feel truly indebted to Mr. Concorn and his family for this kind gesture. The school authority has decided to reconstruct two rooms of the boys' hostel which were damaged during a severe storm last year with the amount and dedicate the section in Mr. Concorn's name. Thank you, Mr. Chris Concorn. You will always remain very close to our hearts, for only a very few people like you understand what it is like to tread on a rough road. **Rest in peace, Amen.**

## INDEPENDENT PROJECTS

### REFLECTIONS OF MRC (2017-2018)

**STUDENTS  
BENEFITED**

### SCHOOL

Mrinaljyoti had been running a special school since 1999 and demand of time and necessity led the organization to begin an inclusive school in 2016. Presently the NCERT syllabus is being followed in the school from class I to VIII. To run this school we have got the prior permission from the Office of the Director, Elementary Education, Govt of Assam. The school is now ready to welcome children with or without disabilities to study together in an inclusive setup.

Students with high support needs are also given necessary intervention for learning, planning and participating without being judged in the special school section.

### EARLY INTERVENTION

One of the most important services of MRC is Early Intervention. The purpose of the service is to identify the children with disabilities at a tender age and to provide maximum support services to make them ready to be mainstreamed and to cope up with different aspects of the society & life. The unit offers various therapeutic services like physiotherapy, speech therapy, occupational therapy, special education, counselling, home management programme etc.

### VOCATIONAL ACTIVITIES

There has been a constant endeavour to establish a permanent and well-equipped vocational unit. At present there are 12 children availing various types of vocational training from the unit. The products prepared by the children with disabilities are really praiseworthy. Activities that they handle are food processing, embroidery, knitting, stitching and weaving.

## OUTREACH SERVICES

Reaching to those children belonging to the weaker section that cannot avail the services of Mrinaljyoti from its Duliajan centre due to economically poor condition or the lack of transportation, Mrinaljyoti has extended its services to them through its outreach centres. As a result, Mrinaljyoti has established two outreach centres at Rajgarh & Digboi so that the people from the locality can avail various services from MRC. The Digboi centre is in Ram Nagar, Digboi, and the Rajgarh centre is in Dr. Bhupen Hazarika Sammanay Khetra, Rajgarh. Approximately 129 beneficiaries are availing the services from these two centres.

On 14<sup>th</sup> November, 2017 the Children Day observed by Digboi Sub Centre at India Club, Digboi in the presence of Sjt. Suren Phukan, MLA, Digboi and the Major J.B. Singh, Army camp, Digboi. During the year 2017-18 a team of officers from Indian Oil Cooperation Limited (IOCL) visited the Digboi Sub Centre which was lead by Ms. Sabina Choudhary, GM, CSR, IOCL, Digboi.

### JYOTINIWAS (HOME FOR CHILDREN WITH DISABILITIES)

This home is running by MRC under the State Child Protection Society as a CCI (Child Care Institute). The CCI housed **25** children with disabilities last year. They get the benefits of education and other services from Mrinaljyoti for their development & mainstreaming. The other wings of MRC have been always helping and participating in the various programmes conducted by Jyotiniwas. Mr. Gopal C. Sarma, Member, ASCPCR, Assam visited the CCI, MRC with his team on 12<sup>th</sup> July, 2017. A few programmes under the Jyotiniwas are as below:

**National Hand Wash Day (July 11<sup>th</sup> 2017):** The **National Hand Wash Day** was observed with the children and staff of MRC to highlight the importance of washing hands. Videos were played for the students showing the importance of health and hygiene and the effects of cleanliness.

**Child Rights week:** The Child Rights Week was conducted at Jyotiniwas on 4<sup>th</sup> & 5<sup>th</sup> November 2017 where speech, art and hundred meter race was held.

## DISHA

The National Trust sanctioned MRC an early intervention project under the DISHA scheme of the trust in the year 2017-18. The objective of the project is to mainstreaming the children with intellectual & developmental disabilities by providing therapeutical interventions like physiotherapy, speech therapy, occupational therapy, and counselling, special education etc. within age group of 0-10 years. The project has capacity for 20 children. The project has strengthened the Early Intervention department of the organization.
